

Ishita Sharma

Master of Business Administration (Analytics) 2026-28

ishita.mbaa26027@iimkashipur.ac.in		Linked In		9971671930
EDUCATIONAL BACKGROUND				
Degree	Institute		Score	Year
MBA Analytics	IIM Kashipur			2026-28
B. Tech CSE	Manipal University Jaipur		86.30%	2023
Class XII, CBSE	Science		79.66%	2019
Class X, CBSE	General Studies		95.00%	2017
PROFESSIONAL EXPERIENCE			22 Months	
J.P. Morgan Chase & Co.		Software Engineer 1	Jun 2023 - Apr 2025	
- Enhanced an extensive enterprise accounting platform processing over 10 million daily trades and settlements by developing Java and solutions - Improved testing and deployment reliability by updating FitNesse test suites, enhancing CI/CD pipelines, and contributed to Jules development - Founded and co-led the Mumbai Ignite Web Development Community, organizing technical web workshops and collaborative learning sessions - Selected as one of 10 Engineering Committee Leads from a competitive cohort of 200+ Software Engineering Program (SEP) analysts in Mumbai - Earned the Outstanding Community Leadership Award at the Global Ignite Awards 2024, selected from 230+ established Ignite communities worldwide, and volunteered as an Event Support member for the flagship Code for Good Hackathon, successfully supporting 600+ candidates				
INTERNSHIP				
J.P. Morgan Chase & Co.		Software Engineer Program Intern	Feb 2023 - May 2023	
- Designed and developed Alteryx workflows to automate accounting business processes, improving operational efficiency and data accuracy by streamlining repetitive actions, reducing manual intervention, enhancing workflow consistency and scaling automation across multiple functions - Collaborated with teams across the UK and Argentina using the agile methodologies to upgrade the legacy core Moneta boot testing framework - Co-led the Mumbai Ignite Agile Community and organized knowledge-transfer sessions to promote agile best practices across teams internally - Volunteered as an Event Support member for the Tech for Social Good with over 200 enthusiastic participants from the local schools of Mumbai				
PROJECTS AND PAPERS				
Data Analysis Manipal University Jaipur	- Applied the Pliman package in R Studio to quantify leaf infection severity using image-based plant disease analysis, performing image segmentation, lesion detection and severity estimation to generate accurate diagnostic outcomes - Validated Pliman package results by testing hypotheses on the original dataset comprising 5,000+ rare leaf samples - Leveraged R libraries and functions to analyze plant disease likelihood using quantified leaf infection severity inputs			2022
ACADEMIC ACHIEVEMENTS/ CASE COMPETITIONS & CERTIFICATIONS				
Achievements	Designed and developed SheConnect, a networking platform prototype for the NGO CGAP, alongside a team of 7 members during JP Morgan’s Code for Good Hackathon, securing a full-time software engineer employment offer			2022
Certifications	HashiCorp Certified: Terraform Associate (003) - Assessed the core infrastructure automation skills using Terraform			2025
	DELF A1 , A2 certified in French- certified in elementary level French communication, including speaking and writing			2024
	AWS Certified Cloud Practitioner- Demonstrated the foundational knowledge of AWS cloud services and framework			2023
	Machine Learning using Python Programming- Applied ML algorithms for predictive modelling and problem solving			2022
	Java Programming: Solving Problems with Software- strengthened object-oriented programming skills through java			2020
POSITIONS OF RESPONSIBILITY				
Coordinator Manipal University Jaipur	- Led end-to-end Litmus operations, managing 20+ core members and coordinating 10+ events with 500+ students - Coordinated cross-functional initiatives across 4+ student societies, partnering with 30+ student leaders promptly - Planned and executed 8+ literary, debating, and MUN events, driving 700+ university-wide attendee participation			2021
Working Team Manipal University Jaipur	- Managed 10+ TEDx speakers, overseeing schedules, communication, logistics, ensuring 100% on-time conference - Collaborated with 25+ organizers, coordinating 40+ volunteers, streamlining logistics for 500+ student attendees - Directed backstage operations across 10+ speaker sessions, maintaining uninterrupted event flow throughout all			2019
SKILLS				
Hard Skills	Java Excel Python Alteryx SQL R Studio Git SDLC CI/CD fundamentals Data Analysis ML Performance Testing UAT			
EXTRA-CURRICULAR				
Dance/Sports	Won the silver medal in the Spardha Volleyball Tournament at JK Lakshmipath University, Jaipur, representing MUJ			2022
NGO/Others	Declared the winner of the Turncoat Debate, organized by Litmus, MUJ, exhibiting persuasive and critical thinking			2020
	Contributed at MUJ’s blood donation camp, supporting 100+ donors, aiding community health and social welfare			2019
	Facilitated logistics, delegates and 10+ MJN sessions, ensuring a successful conference for 200+ participants in MUJ			2019
